and passed by this office for
Rs 110 according to the Scale

Not necessary J. C.

The Bank having been
since increased by Rs 200/
the monthly bill is now
received for an increased
amount of Rs 120/- I
request to be informed
whether this amount may
be admitted without a
detailed Scale from
Government

Under the present arrange-
ment of audit this
office has to see (1st)
that the Pay abstract
has been prepared
according to the
Sanctioned Scale, and
(2nd) that the [illegible]

Grant over and above the lump
of Rs 1000/- is paid from
the Local receipts — This
causes much complication
in auditing these charges
and I request therefore
that one of the two
alternatives may be suggested
may be
ordered to be adopted
viz
1st The annual grant of
Rs 1200/- may be paid at
Rs 100/- a month on a

Enclosure No 2

With reference to the Secretary's docket No 1325 7.10.51 / Ed 726-96 of the 16th April 1898 Has the honour to forward herewith a copy of Education Secretary's letter to the Comptroller No 602/111 dated 30th April 1891 and not 1894 as stated in the Comptroller's letter to the General Secretary No 7172 dated 2nd April 1898, and to return the enclosures received with the docket quoted above as the Hassan Industrial School though called Aided at present is

virtually a Government institution the total cost of the school may be provided in the Provincial Fund Budget for Education, its receipts being credited to Government The cost of the school will not only include the cost of establishment, but also the cost of tools, materials, scholarships &c and the pay of Superintendent The Superintendent is not given a monthly salary at present but an annual bonus according to Government Order No 110-11 dated 20th November 1894. Until Government are pleased to order that the school be treated as a Government Institution, the Comptroller may be authorised to pass a monthly bill of Rs 120- When the accounts are made up at the end of the year after all the receipts are credited to Government, it is seen that the net cost of the school to Government as at present arranged does not exceed Rs 1000 a year
